

Empowering & supporting women through adventure

Thelma & Louise Expeditions takes women of all ages, races, religion and background on an adventure. On our expeditions we all learn from each other, push our limits, expand our tolerance, gain more passion for life . . . and have fun. Funds raised from expeditions are all donated to causes that assist women and children.

What we've done so far:

- 🎬 2006 Darwin to Broome via the Kimberley \$360 for Ruth woman's shelter
- 🎬 2007 Cairns to Cape York \$10 000 for Ruths Women's Shelter
- 🎬 2012 Darwin to Cairns \$50 000 for Friends of the Himalayan Children Inc
- 🎬 2014 Nepal \$25 000 for Friends of the Himalayan Children Inc

What we intend to do:

Next trip in 2016 will be 10 days in France. We will fundraise for a local Australian charity and for a new village in Nepal to help women & micro businesses.
